

CLEAN WEEKS

❖ What are Clean Weeks?

- Clean Weeks is part of a behavior improvement program that allows a student who completes any 5 consecutively attended school days AND earns 3 or fewer demerits to remove one detention from his/her year-end cumulative total.
- Students must still serve all detentions earned.
- Clean Weeks **DO NOT** remove the first earned behavior improvement class.

❖ How can a student be eligible for Clean Weeks?

- Students must have 13 or more detentions, which means they have earned their first behavior course.
- Students cannot lower their detention total under 13.

❖ How does Clean Weeks benefit students?

- Once a student has earned more than 24 detentions, they can use Clean Weeks to lower their detention total under 24, eliminating the necessity for a second behavior course.
- Students can also utilize Clean Weeks so they will not exceed 36 detentions.

❖ Where do students locate and turn in Clean Week sheets?

- Clean Week sheets will be located by the main office and in the gymnasium.
- Students who earn Clean Weeks must turn in the completed sheets to Mr. Jefferson in detention no later than 4:30pm every Friday.
- Student will have one week to turn in Clean Week sheets from the date the Clean Week was earned.
